

DESIGN CHECKLIST

Use this checklist before finalising and downloading your template design.

HAVE I...

- Updated the page numbers, website and social media tag on every page?
- Updated and replaced all images?
- Replaced all placeholder text with my own content?
- Deleted any pages I do not wish to use?
- Used my own colours to match my brand or project?
- Replaced the template logo with my own?
- Looked over the design for the last time to ensure everything is correct including layout and alignment?
